NOTICE:

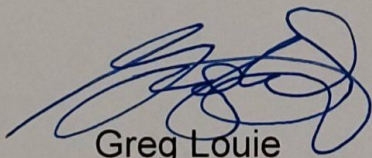

Hazelwood has started their preparation for paving our roads. The paving will be starting on Thursday, August 27th in the morning by 10:00am.

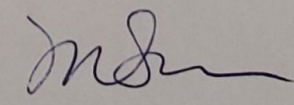

We are requesting your vehicle(s) be off the roadway in the cul-de-sac and on Happy Hill from the main street to just past the intersection with Hemlock Drive.

If you do not need your vehicle on Thursday you can leave them parked in your driveway. Alternatively you can park below Happy Hill area (Main Road: ie: same road as Sal Frank/Rocky Titian/ Gloria Jean's home) or Hemlock Drive area.

Hazelwood will have traffic control assisting the trucks / pavers to ensure everyone's safety.

Any questions please contact us at the above number or email address. Thank you for your understanding and cooperation.
