

**Job Opportunity:** Wastewater Treatment Plant Operator  
**Department:** Operations & Maintenance  
**Position Type:** Full Time  
**Deadline to Apply:** March 04, 2026 at 12:00 pm

The Ahousaht Operations & Maintenance Dept. is seeking individuals to join our team as a **Wastewater Treatment Plant (WWTP) Operator / Technician**. This position plays a key role in maintaining community infrastructure and ensuring the safe and effective operation of the new Wastewater Treatment Plant and sewer collection system.

The ideal candidate will be dependable, safety-minded, and committed to long-term employment within the Ahousaht team.

### **WWTP Operator Daily Duties and Responsibilities:**

- Ensure the Wastewater Treatment Plant and wastewater (sewer) collection system operate safely and efficiently
- Monitor equipment and systems to ensure proper function
- Keep accurate daily operational records
- Perform routine inspections, maintenance, and minor repairs
- Support the Operations & Maintenance Dept. in other areas as required

### **WWTP Operator Qualifications / Skills:**

- Minimum Grade 12
- Willingness to work long hours during training and operational needs
- Commitment to long-term employment within the Ahousaht team
- Ability and willingness to work in confined spaces safely
- Strong work ethic and ability to follow safety procedures
- Valid driver's license is considered an asset

The successful applicant will participate in a structured training program, which may include time spent in other communities for hands-on experience, classroom instruction, and possible online coursework.
